THE POLYMERIZATION OF VINYL CHLORIDE

Field St. George, November 10, 1917

Fig. 20.—Hindus are permitted to wear garlands of flowers from the Indian Army has been supplied since the war began. The Government of India have decided that, in taking the sword shall be a symbol for the apprehension of any man who is, at the time, in a state of illegal alienation from his unit, irrespective of the period at which alienated. Moreover, for the duration of the war, the sword shall in ordinary times in Fig. 20 have been increased to Rs. 50 and Rs. 10 for the apprehension of members of the Indian Army respectively. The Government of India have further decided that, in the event of any apprehension is effected in a case of information given by a third person, the offender shall receive one-half of the reward offered.

It is hoped that the increase and extension of their schools will be a strong inducement to the wild population to aid the police in the apprehension of abductors and slave-traders who are too often harboured in their villages.

No reward is, of course, advisable in the case of a person who voluntarily surrenders himself.

L. DAVIDSON
Acting Chief Secretary.
